

Ned West, P.E.

Consulting Engineer, Energy Services Development

SOUTHERN COMPANY SERVICES

NWest@southernco.com

Ned spent 25 years in the utility power industry developing Air Quality Control Systems before pivoting in 2018 to focus on energy storage. He is now involved with Southern Company subsidiaries in behind-the-meter and grid-connected battery energy storage projects. He holds an electrical engineering degree from The University of Alabama and is a registered Professional Engineer.
