

**Bill Fisher**

*Managing Director*

DELOITTE

Bill is a Managing Director in Deloitte Tax's Global Investment & Innovation Incentives group. During 24 years of professional experience, Bill has worked in the areas of corporate and passthrough taxation, Federal and state tax credits and incentives, M&A due diligence, strategic business planning and renewable energy finance (including development of tax equity / HLBV financial models).

In the area of Federal tax credits, Bill advises clients regarding tax issues related to tax equity transaction structuring, due diligence and financial modeling with a focus on Production Tax Credits and Investment Tax Credits for renewable energy projects. Bill has also advised clients on the HLBV accounting implications for tax equity investments, as well as structuring projects involving Historic Rehabilitation Tax Credits, Low Income Housing Tax Credits and New Markets Tax Credits.

Bill has advised clients on tax equity transaction structuring and investing, assisting in the successful financing of over \$5 billion of renewable energy and real estate tax credit deals.
