

**Les Sherman**  
*Partner,*  
*Energy, Infrastructure*  
ORRICK

Les represents many of the industry's leading companies on project development, financing and M&A transactions for solar, wind, biomass, gas and similar generation projects, battery technology and other energy storage projects, biofuels and production facilities and energy efficiency projects. Les has led the Orrick team's thought leadership in the growing energy storage market, has published numerous articles on the topic, and has served as lead counsel on many of the largest storage and renewables+storage transactions completed to date.
